Special Thanks

We would like to extend a special thanks to:

First Free Will Baptist Church for providing our venue for this evening's performance.

Brian Faulkner for helping load and transport sets and sound equipment.

Ken Canitz for equipment for the backdrop

The other ACME families that helped with painting props, providing costumes, and rearranged rehearsal schedules to allow us to prepare for this production.

The parents and family members that listened to these songs a million times (we hope), and especially for allowing your children to be part of this exciting adventure.

Producer: Arkansas Center for Music Education
Executive Director: Shirley Faulkner

Would you like to become a supporter of ACME?

There are several ways to help.

- Make a cash donation. You can mail a check to the address listed below or visit our website (also listed below) and click the link to donate through PayPal
- Become a Foundation Building monthly supporter. Your monthly donation of any amount is tax-deductible and can be made by check or through our link on our website.
- Do you work for Entergy? Entergy will make a donation to us for each Entergy employee who volunteers a certain amount of time with us.
- Donate items. We can always use supplies, such as office and cleaning. We have two fundraising rummage sales per year and will gladly accept items that are clean and in good working order. We also accept instruments in good working order so that we can help a student who is not financially able to supply their own
- Donate your time. General housekeeping, yard work, clerical work. Do you play a band or string instrument? We regularly need players to assist our classes or for community events

Your cash and property donations are tax deductible.
