Would you like to become a supporter of ACME?

There are several ways to help.

- Make a cash donation. You can mail a check to the address listed below or visit our website (also listed below) and click the link to donate through PayPal
- Donate items. We can always use supplies, such as office and cleaning. We have two fundraising rummage sales per year and will gladly accept items that are clean and in good working order. We also accept instruments in good working order so that we can help a student who is not financially able to supply their own
- Donate your time. General housekeeping, yard work, clerical work. Do you play a band or string instrument? We regularly need players to assist our classes or for community events

Your cash and property donations are tax deductible.
